

2251SLE FLOORPLAN

The Forester 2251SLE motorhome is one of the smaller units of the LE series, so if you have a family of five, this model is definitely for you! Take your family out for a weekend adventure without sparing the amenities of home. This unit features a rear queen bedroom slide for extra privacy and elbow room. The kitchen area includes sink, convection microwave, 12V residential-style refrigerator, and 3-burner cooktop. Overhead cabinets throughout the coach provide great storage options. The rear bathroom gives you a 24" x 32" shower and commode behind the door, with a sink and medicine cabinet that's always accessible. This model is available on either a Ford or Chevrolet chassis.

Wheelbase	158"	GVWR	12,500 lb.
GCWR	18,000 lb.	GAWR Front	5,000 lb.

GAWR Rear	8,500 lb.	Fuel Capacity	55 gal.
LP Tank Capacity	41 lb.	Exterior Length	23' 10"
Exterior Height	11' 3"	Exterior Width	101"
Fresh Water	35 gal.	Gray Water	32 gal.
Black Water	27 gal.	Awning Size	14'

SPECIFICATIONS DEFINITIONS

GVWR (Gross Vehicle Weight Rating) – is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) – is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) – is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* – is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity) ** – is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated Average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Note: Specifications are subject to change without notice.

WARRANTY

- 12 Months/12,000 mile basic limited warranty
- Chassis warranty (see owners manual)

SYSTEMS

- Battery disconnect
- Water heater bypass
- (1) Deep cycle coach battery
- Optional (2) Deep cycle coach batteries
- LED lighting
- Easy Access battery in step-well
- 30 Amp service with power cord
- 60 Amp Progressive Dynamics converter
- 6 Gallon DSI gas/electric water heater
- 30,000 BTU furnace
- Emergency start switch
- Satellite/cable connection
- 15,000 BTU ceiling ducted, ultra quiet roof air with heat pump (N/A w/dual AC option)
- 4.5 KW Gas generator
- Arctic Package (12V tank heaters)
- CO, LP and smoke detector
- Winegard Air 360+ digital antenna
- Side-mounted solar prep connection (N/A with roof-mounted solar)
- Optional 190 Watt roof-mounted solar powered 12V charging system (IPO side-mounted charger prep)

EXTERIOR

- 2" Aluminum framed laminated sidewalls
- Superlite composite substrate
- Gel Coat exterior fiberglass
- Block foam insulation
- Power patio awning with LED light strip
- Slide-out awnings
- Fiberglass roof
- One-piece fiberglass front cap
- Roto-cast storage compartments
- Aluminum running boards
- Tinted sliding windows
- 5,000 Lbs. hitch, 7-pin connector (Chevy/E350)
- Integrated entry step

- Optional Automatic leveling system (4-point) (N/A on Chevy)
- LP quick connect
- Black tank flush
- On-The-Go™ Ladder Bracket (most models)

CAB AREA

- Power windows and door locks
- Keyless entry (N/A Chevy)
- Backup camera/side view cameras with 3-way monitor

KITCHEN

- Recessed 3-burner range with flush glass cover
- 1.3 Cu. ft. convection microwave
- 10.7 Cu. ft. 12V refrigerator
- Soft touch self-closing drawer guides
- Cordless 12V charging plate

BATHROOM

- Electric roof fan
- Oxygen-infused shower head with flexible extension
- Shower skylight

BEDROOM

- Black-out roller shades
